

SPA 8800

Power Amplifier

- Output short circuit protection & display
- Overheat and overload protection
- Table or 19" Rack mounting
- XLR and JACK sockets for linking
- Volume control
- Power led indicator
- Outputs with low impedance (4-16 Ohms) and 100-70V
- Rated power: 850W

Siera offers reliable and affordable solutions in Electronic Security, CCTV, Access Control, Intercommunication and Professional Audio.

Output power:	850W
AC Power consumption:	1200W
Distortion:	< 0,3%
S/N ratio:	> 92 dB
Slew rate:	-95 dB
Frequency response:	70 Hz to 16 KHz +/- 3dB
Speaker outputs:	4-16 Ohms, 70V, 100V
Mains supply:	220V AC +/-10% 50/60Hz
Net weight:	30 Kg Aprox
Gross weight:	32 Kg
Dimensions:	132 (H) x 484 (W) x 470 (D) mm
