# SAC 4000 configuración de Mapa

## MAP

Para acceder a la configuración del Mapa hacer click en el icono Map

Sobre la indicación Map1 hacer click en el botón derecho del mouse y hacer click en **Add map** para seleccionar el archivo con la imagen del mapa a visualizar, se podrán agregar varios mapas.

Ingresar un nombre para el mapa, seleccionar el archivo correspondiente y hacer click en OK

#### SAC 4000 System + Manage + Access con 4 0 5 П ക Q 28 Authority Card Holder Card record Alarm event Count Holiday Event type Camera Option Log User Device Мар Map1 Map . STREET, DOCUMENT 10 MAN N . ..... П ARCINE: = 3,60 0.90 8 Serial no. Time Code Name English < Log Event CardEvent 2/8/2021 15:56:13 administrator Number:0 Selected:0

Se visualizará en pantalla el mapa seleccionado

Haciendo click con el botón derecho del mouse sobre la pantalla se presenta el Menú con las siguientes opciones:

## **1.- SHOW BACKGROUND PIC**

siera SAC 4000				
	Device Authority Card Holder	Ma	ap	
	Show background pic.			
	Background color			
	Add object on Map			
	Add label	>		
	Add event form	>		
	Add Employee List			
	Add pic			
	Add Alarm			
	Add timer	>		
	Other	>		
	Lock			

Esta función habilita o deshabilita la visualización de la imagen anteriormente seleccionada.

# 2.- BACKGROUND COLOR

Permite cambiar el color de fondo de pantalla del Mapa

siera SA	C 4000			
<b>Device</b>	Authority	Card Holder	Map	Card record
	Color Basic colors:	E Custom Col		

Seleccionar el color deseado y hacer click en OK

#### 3.- ADD OBJECT ON MAP

Permite agregar objetos en el Mapa

Permite visualizar en el Mapa Usuarios, Puertas, Controladoras o Cámaras seleccionados

# USER

En la pestaña User seleccionar el usuario deseado y hacer click en OK

🐖 Add object on ma	ар					
User Door Control Camer	a					
Department	Search:			(	Select all	Not select
	User 1	Name บมิ	English na	ame	Card no. 4192544	
		800			1221000	
				O		Close

# Se visualizará el usuario seleccionado en el Mapa

## DOOR

En la pestaña Door seleccionar la Puerta deseada y hacer click en OK

User       Door       Control       Camera         Area       Search:       Select all       Not select at at all         Door name       Controller       Image: Select all SAC 30081P       Image: Select at at all         Oor name       Controller       Image: Select at at all       Image: Select at at all       Image: Select at at all         SAC       30081P-Puertal       SAC 30081P       Image: SAC 30081P       Image: SAC 30081P         SAC       30081P-Puerta3       SAC 30081P       Image: SAC 30081P       Image: SAC 30081P         SAC       SAC 30081P-Puerta4       SAC 30081P       Image: SAC 30081P       Image: SAC 30081P
