

# Mudança de formato PAL/NTSC

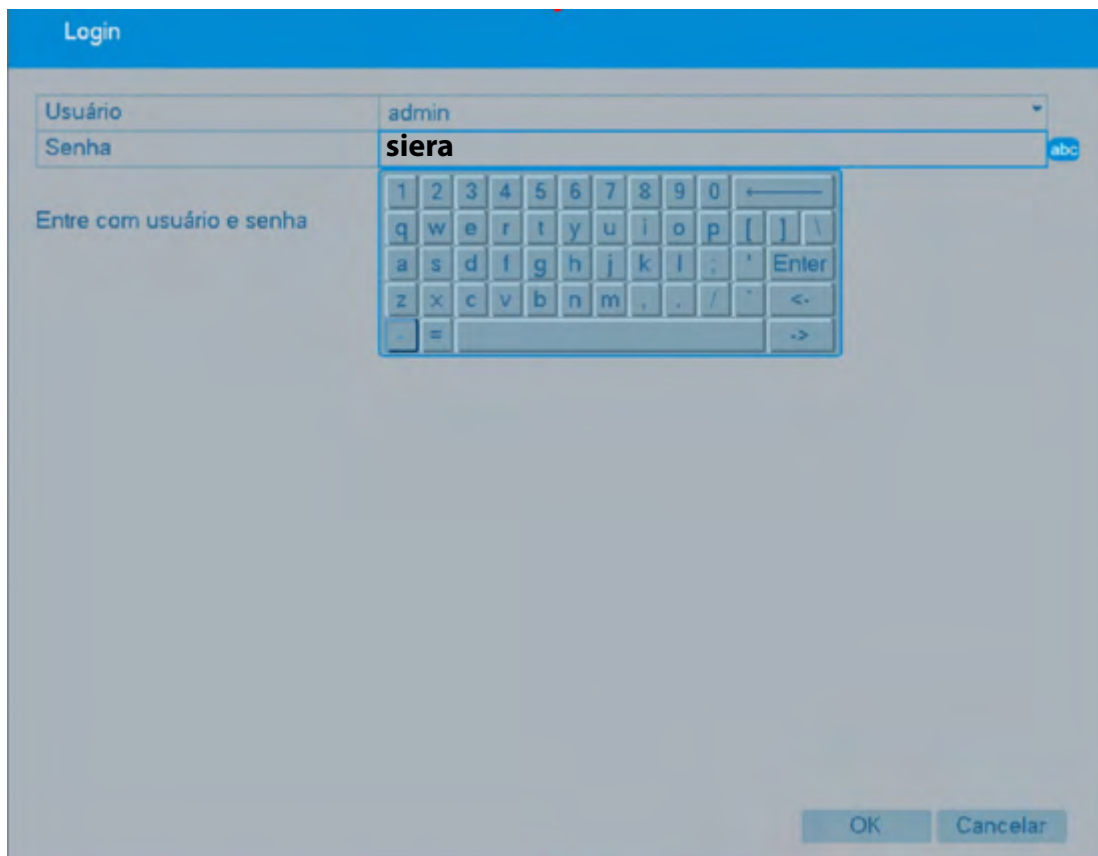

**Quick Help**

## 1. Entre no menu principal.

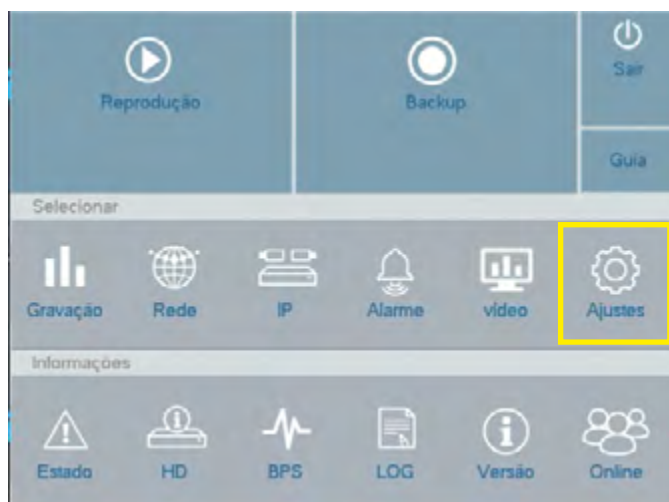

## 2. Entre no sistema com o usuário admin.

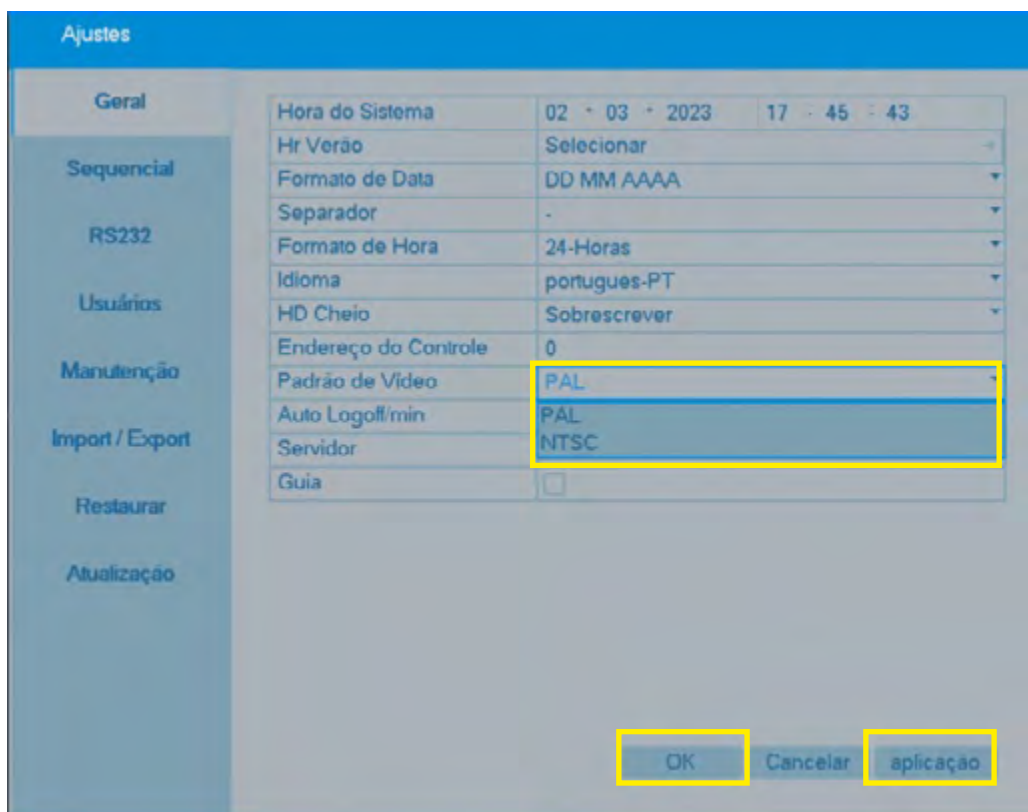

Lembre-se que a senha de fábrica é siera.

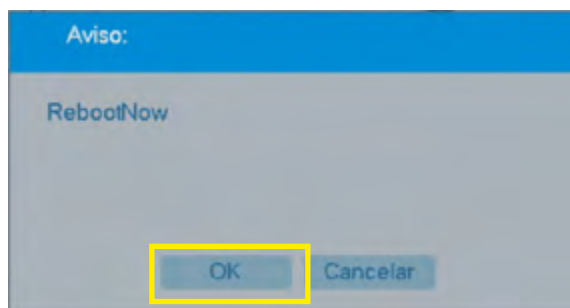

### 3. Entre em "Sistema".

### 4. No modo de vídeo, escolha NTSC ou PAL conforme apropriado. Em seguida, pressione "Aplicar" e, finalmente, "OK".

**5. O equipamento solicitará reiniciar para aplicar a configuração, selecione "OK"**
